

ground and wall anchors

Locking up your bicycle inside your garage or shed is an important part of your security. Squire offer a range of both ground and wall anchors offering varying levels of security. The GA1 and BPGA ground anchors achieve GOLD SOLD SECURE - MOTORCYCLE standard attack protection, the highest accreditation available.

For those who don't have a shed or garage and having to secure their bicycles outdoors, securing a bicycle to a strong fixed point is of even more importance. All of the ground and wall anchors are made of hardened steel and are easy to fit. The GA1 is set into the ground, all other anchors come with security fixings.
